Applying Creativity

\$75 per person early bird paid by March 7, book today!

\$85 if booked after March 7.06.

Agenda and Outcomes for March 15, 2005; 7pm to 10pm.

- It has been said that innovation is not a luxury...it's a survival tactic!
- This is a high energy, creative, structured and interactive training session that can reveal the next big idea, the better solution, and the measurable strategy to implement.
- How many great ideas are sitting on the shelf or in the minds of you or your staff?
- Learn the practical application of innovation and creativity to build your business or build yourself!

KEY WORKSHOP OUTCOMES

- Tapping into creative resources to create a new edge
- Defined and measurable innovation structures to build your template for success...idea to marketplace.
- Increased competitive advantages for your business or yourself
- Tracking technique for measuring progress and overcoming barriers.

Who should come?

- Individuals committed to getting more out of their careers!
- Corporate employees, entrepreneurs, small business staff
- Professionals wanting to check out Big Fish with a bite sized menu; additional times available. HR Managers send us your fishies!
- *No refunds! If you're not serious, stay home. This is high performance training, low performance training is offered elsewhere.*
